Dear Ms. Abraham:

In the Grand Jury report of September 26, 2001 (First Judicial District, Criminal Trial Division), it says that the Grand Jury was charged "to investigate the sexual abuse of minors by individuals associated with religious organizations and denominations." You were the District Attorney at that time.

Could you identify which "religious organizations and denominations" you pursued, other than the Roman Catholic Church? It is important to the process that we ascertain accurate information.

Sincerely,

William A. Donohue, Ph.D.
President
