

25TH ANNIVERSARY DINNER

On Thursday evening, April 16, the Catholic League will celebrate its 25th anniversary with a buffet dinner at the Plaza Hotel in New York City. All members, their families and friends are invited to attend.

The typical dinner in New York runs \$500 per person. The Catholic League dinner, though still expensive, is half that price. By charging \$250 per person, the league will not make much money, but we're more interested in celebrating our accomplishments than in using the dinner as a fundraiser.

So mark your calendars now. Cardinal O'Connor will be the keynote speaker. April 16 is the Thursday following Easter so we hope that out-of-towners will be able to be with us.

Those who are interested in coming can send their checks to us at the Catholic League. Please mark this for the anniversary dinner.
