

Abortion always can be dangerous

Bill In The News (Northwest Florida Daily News):

Very good letter, "Battling Infanticide," from Charles Minter.

Also, it is rarely, if ever, publicized that there are serious complications from abortions. Dr. W.Matt Zban, a well-respected emergency room physician from Charlotte, N.C., called Catholic League President Bill Donohue and told him about his encounters several times each year with women who have had abortions.
