

ANNUAL REPORT NOW AVAILABLE

The Catholic League's *2012 Annual Report on Anti-Catholicism* is now available. This comprehensive report documents incidents of anti-Catholicism that emerged last year from many different segments of society: activist organizations; the arts; business and the workplace; education; government; and the media. There is also a miscellaneous section, a sampling of offensive cartoons, and a reprint of some special reports that were published in 2012.

The annual report features an Executive Summary by Bill Donohue that describes the Catholic League's many battles, and many victories, and offers an overview of the year's highlights.

Copies are being sent to many in government, education, the media, and law. Religious leaders, including all the bishops, will receive a copy. To order a copy click [here](#), or call our office at 212-371-3191; they are available for \$10.
