

BIDEN HONORS SOROS

On January 4, President Biden gave the Medal of Freedom to George Soros. It is the nation's highest civilian award, given to "individuals who have made exemplary contributions to the prosperity, values, or security of the United States, world peace, or other significant societal, public or private endeavors." The White House said those who received the award are "great leaders because they are good people who have made extraordinary contributions to their country and the world."

The truth is that George Soros has done more to destroy western civilization and the United States, in particular, than any single person in the world. An inveterate anti-Catholic bigot, his anti-law enforcement policies have impoverished and punished legions of innocent black Americans. A self-hating Jew, he has been condemned by Jewish leaders in the United States and Israel.

Soros has sought to destabilize America by supporting open borders, welcoming those who have illegally entered the country. His embrace of Black Lives Matter, which has openly said it wants to destroy the nuclear family, is of a piece with his attacks on the criminal justice system. He funded the most radical district attorneys in the nation, the result of which has been a dramatic increase in crime by repeat offenders.

Soros' Open Society Institute has waged war on Catholics for decades. It funds many dissident organizations, activist groups that falsely claim to be Catholic. They include Catholics for Choice, a pro-abortion, anti-Catholic letterhead funded by the likes of Soros. He was also the money behind Catholics in Alliance for the Common Good and Catholics United, two front-groups set up by

Clinton aide John Podesta to create a "Catholic Spring"

revolution in the Church.

Though Soros is Jewish, he has been accused by the ADL of blaming anti-Semitism in Israel on the Israeli government, and the Jerusalem Post has accused him of weakening support for Israel in the Democratic Party. The editor of the New Republic, Martin Peretz, called him “a cog in the Hitlerite wheel.”

As a young man in Hungary, Soros became a Nazi collaborator. In a “60 Minutes” interview he admitted that he helped confiscate property from Jews. He told Steve Kroft that he never regretted doing so. When asked if this was difficult, Soros said, “Not, not at all.” Stunned, Kroft said, “No feeling of guilt?” “No” came the reply.

Biden has been telling us for four years how much he supports DEI (diversity, equity and inclusion). His decision to honor George Soros, the world’s most influential anti-Catholic bigot, shows what a liar this “devout Catholic” really is.
