

# BIG MEDIA COVER FOR ISLAMISTS

Islamists, or Muslim extremists, are on the war path slaughtering Christians in many parts of Africa. And what do those in the big media say about it?

The *New York Times* falsely claims that there is no Christian genocide happening in Nigeria. This has also become the favorite talking point of the mainstream media.

Where is the evidence that a Christian genocide is not taking place in Nigeria? The *Times* provides a link to a story it ran in January claiming that “Spotty research from a Christian activist has been used by Republican lawmakers to justify U.S. intervention in the country [Nigeria].”

In fact, this news story should be studied in journalism classes as a classic case of how “spotty research” is done. It focuses on the comments made by one guy, a screwdriver salesman, who argues that Christians are being singled out for slaughter.

No serious scholar leans on anecdote for evidence. What about the annual reports on human rights in Nigeria released by Freedom House, Aid to the Church in Need, the U.S. Commission on International Religious Freedom, U.S. State Department and Open Doors?

Radical Muslims are clearly committing genocide against Christians in Africa. Shame on those who claim otherwise.
