

BISHOPS STRIKE THE RIGHT TONE

Catholic League president Bill Donohue comments on the response of the bishops to the Pennsylvania grand jury report on sexual abuse:

The bishops are understandably apologetic over the conduct of some priests who abused minors. The tone of their commentary is welcome.

As a Catholic civil rights activist, who has had nothing to do with any miscreant priest, I am in a better position to confront the lies that color the grand jury report, and interpretations of it. I will do so tomorrow and in the days to come.
