

Cardinal Burke: 'Very Grave Problem of Homosexual Culture in the Church'

Bill In The News (Breitbart):

Cardinal Raymond Burke has called for “open recognition” of the Catholic church’s homosexual culture in light of recent revelations of sexual abuse.

The cardinal’s analysis of the situation coincides with another report, also released on Thursday, by the president of the Catholic League, Bill Donohue.

In his report, Mr. Donohue, who is a trained sociologist, decried the ongoing “media cover-up of the role played by gay molesters” in the church. [READ MORE HERE](#)
