

Cartoons

Students at Ball State University in Muncie, Indiana were treated to this tasteless cartoon in their daily paper. It originated with the *Dayton Daily News* and cartoonist Mike Peters. A tip of the hat to Mrs. George L. Mihad of Muncie for passing this gem along to us.

Signe Wilkinson of the *Philadelphia Daily News* was close to the mark with this tongue-in-cheek cartoon inspired by Stephen Cook's bizarre "recollection" of abuse.
