

Catholic League Condemns FBI Attack on 'Traditionalist' Catholics

Bill in the news (Breitbart): Catholic League president Bill Donohue has denounced recent attacks by President Joe Biden's FBI on what it calls "radical-traditionalist Catholics."

...

In his accompanying article, Seraphin notes that the report proposes that "a preference for the Catholic Mass in Latin instead of the vernacular and a number of more traditional views on other world religions can amount to an 'adherence to anti-Semitic, anti-immigrant, anti-LGBTQ and white supremacist ideology.'"
