

# Catholic League Denounces Soros-Funded 'Attack on Religious Liberty'

Bill In The News (Breitbart):

*Catholic League president Bill Donohue has decried a coordinated left-wing attack on the project of the U.S. Commission on Unalienable Rights in an attempt to downgrade religious freedom and elevate LGBT and "reproductive" rights.*

*Dozens of international left-wing organizations "recently signed a statement lecturing the U.S. State Department's Commission on Unalienable Rights," Dr. Donohue noted, including "the Center for Reproductive Rights, Human Rights Watch, and the International Women's Health Coalition."
