

CHRISTMAS CAMPAIGN ALERT

Our friends at the Thomas More Law Center, a national Christian public interest law firm, are already gearing up to defend against the War on Christmas that inevitably takes place every year.

The Law Center is going on the offensive, and they need your help. You can help the Law Center achieve its goal by asking your city to allow the display of a Nativity scene on public property during the Christmas season.

If you are interested in erecting a Nativity display on public property, Law Center attorneys stand ready to give you advice on how this can be legally done. If a city denies your request to erect a display, Law Center attorneys will investigate the matter, determine whether your constitutional rights have been violated, and when appropriate, initiate a lawsuit. All their legal services are without charge.

If you or someone you know wants to help with this Christmas campaign, please contact the Thomas More Law Center at 734-827-2001 or by e-mail at Christmas@thomasmore.org.
