

Contact Us

Please give us any information regarding incidents of anti-Catholic bias. If you provide us with your contact information, we will be able to reach you in case we have any questions; however, the general purpose of this page is for you to give us information. As a rule, we will not contact you unless it is absolutely necessary.

Due to the high volume of requests we get for information, and the many questions that are asked of us, the Catholic League is unable to respond to most of the letters and e-mail correspondence we receive. Please continue to send us information about anti-Catholic incidents that you encounter. We will do our best to address your concerns in this regard. Without our members, we simply would not learn of many of the issues that we ultimately confront. Thanks for your consideration.

Office

450 Seventh Avenue
New York, NY 10123
