

Cultural Meltdown: The Secular Roots of Our Moral Crisis

BILL DONOHUE'S LATEST BOOK!

*Cultural Meltdown: The
Secular Roots of Our Moral
Crisis*

**About the
Book...**

In this incisive work, Bill Donohue pulls no punches as he contends that our moral crisis is a reflection of two competing visions of morality – one religious and the other secular. The former is grounded in our Judeo-Christian

tradition, the latter in radical notions of liberty and equality that are tearing us asunder.

Donohue explains how the religious vision acknowledges belief in God, truth, human nature, natural law, moral absolutes, and Original Sin. It understands the limits of the human condition and thus rejects the notion that human perfectibility can be realized on earth. The secular vision believes none of this, and its adherents are bent on destroying the last vestiges of our religious heritage.

Weaving together examples from the earliest centuries to the Enlightenment to modern times, Donohue seamlessly lays out how to restore our moral code so that the mainstreaming of madness is terminated and rolled back.

What They're Saying...

“In this much-needed book, Bill Donohue calls on Catholics, Evangelicals, Orthodox Jews, Mormons, and Muslims to stand up for their beliefs—for their own sakes and for the good of the country.”

—Mary Ann Glendon

“As a sociologist, Bill Donohue understands what happens to a society when the ‘sacred canopy’ of religion is ripped away. He offers a way to extricate ourselves and our communities from the nihilism of a society without God.”

—Anne Hendershott, Ph.D.

“Donohue’s response to our advanced cultural meltdown is not pessimism but pugnacity, in a full-throated defense of the Catholic vision of moral law as the basis of a good moral order.”

—Fr. Paul Sullins, Ph.D.

“Like the prophets, Donohue skewers bad guys—doers of evil and sowers of confusion—with consistent vigor and style.”

—Russell Shaw

“Bill Donohue tells us who the thinkers and activists are who are trying to destroy our Judeo-Christian civilization.”

— Fr. Gerald E. Murray
