Dear Mr. Donohue:

Since my last communication with you about the "60 Minutes" piece on the Call to Action Program, they surprised us and decided to come and to cover our Annual Religious Education Congress.

For four full days and nights we had Mike Wallace, Barry Lando, and three television crews cover our Congress in Anaheim. They were extremely over awed at the scope of the Congress, and they did have the opportunity to see the mainstream Church in a way that they had never dreamed or realized.

From all that we can tell from the comments of the entire crew, we should be expecting a rather positive segment on "60 Minutes" some time the latter half of March. Only time will tell!

Asking the Lord's continued blessings upon you and your work for the good of the Church, and with every best wish, I am

Sincerely yours in Christ,
