

FALSE ALARM

We have received several complaints about a prospective film entitled "The Sexual Life of Jesus Christ," produced by Modern People News. The movie, which supposedly presents Jesus as a homosexual, and features a notorious French prostitute in the role of Mary Magdalene, is being advertised abroad, as well as in the U.S. But repeated attempts by the Catholic League to contact Modern People News have failed. Mail is returned and there is no phone listing for the Franklin Park, Illinois company.

This is not the first time that someone has used Modern People News as a source for anti-Catholic propaganda. But the good news is that apparently there is no such outlet.
