

Gallup: Democrats Much Less Satisfied with Their 'Personal Life' than Republicans

Bill In The News (Breitbart):

Democrats are among the demographic groups with the lowest personal satisfaction in their life, while Republicans are among the most satisfied, a Gallup poll revealed Thursday.

In his analysis of the data, Dr. William Donohue, a sociologist and the president of the Catholic League, said that the reason for Democrats' all-around unhappiness has little to do with race or economic factors and everything to do with religious faith. [READ MORE HERE](#)
