

MARY, THE 21st CENTURY WOMAN

Long-time Catholic League member Mildred M. Breitenbach (her husband Ed previously served as a chapter president for the Catholic League) has written a delightful new book.

Relating numerous stories about the ways Our Blessed Mother has touched the life of the author, *Mary, The 21st Century Woman* is a joy to read. Through personal anecdotes and helpful background information on popular devotions, this book serves as a gentle reminder of the honor due to the Mother of God.

Published by the Saint Joseph Marian Center Inc., Mrs. Breitenbach's volume can be purchased by calling 518-861-6979 or writing to P.O. Box 472, Altamont NY 12009. The cost is \$7 plus \$1.50 for shipping and handling.
