

# GO FATHER BRIGGS!

Kudos to Father Everett F. Briggs of West Virginia.

Father Briggs is so upset about Catholic bashing that he has taken things into his own hands. Like putting up billboards along the highways in his home state. Here's what one of them says:

CATHOLIC BASHING

is as unacceptable as

anti-Semitism and racism

Hate Will Destroy America

&

AWAKE, AMERICA:

Your Governments, Courts,

Communications, Schools

are ANTI-CHRISTIAN:

ANYONE INTERESTED?

Congratulations Father Briggs. You're our kind of guy.
