

HOWARD STERN'S SENSE OF HUMOR

Howard Stern, the radio talk show host, never fails to attack Catholicism. On September 24, he was at it again, this time slamming all priests. Referring to priests as “fakes” preoccupied with abortion, Stern opined “Meanwhile they’re out getting oral sex from guys.”

He continued like this charging that if all unborn children (he prefers the term “fetuses”) were aborted, “there will be less targets” for priests. “Where you goin’ to find fifteen year olds?”

Stern is not only offensive, he’s anti-Catholic. He once apologized to Latinos for making anti-Hispanic remarks, but has yet to apologize to Catholics.
