

INTERFAITH RALLY TO PROTEST MAMDANI

On Tuesday, May 26, Bill Donohue will participate in an interfaith rally to protest Mayor Zohran Mamdani. It will be held outside Gracie Mansion (E 88th Street and East End Avenue, New York, NY 10028) from 7:00 PM to 8:30 PM.

The rally will bring together people of different faiths, including Jewish, Christian, Hindu, and Muslim leaders, to call out Mamdani for his callous indifference and tacit support for the radical mobs and Islamists who have flooded the streets to attack houses of worship.

This rally is being organized by End Jew Hatred and led by Brooke Goldstein of The Lawfare Project. Other organizations participating in the event include the Holocaust Memorial and Tolerance Center of Nassau County, #WalkAway, Hindus for Universal Human Rights, and American Muslim & Multifaith Women's Empowerment Council.

If you have any availability and wish to send a strong message that these assaults on our religious liberty are unacceptable, we hope to see you there!
