

KC STAR CAMPAIGN HITS LOCAL BUSINESSES

Today, all Chamber of Commerce officials and over 150 local businesses in the Kansas City, Missouri area are being sent copies of the Catholic League ad that the *Kansas City Star* refused to run on October 30.

This is the tenth segment of the Kansas City area to receive the ad that the *Star* would like to censor. Previously, we hit (1) every Catholic church, as well as all the nuns, order priests and brothers, (2) every Catholic lay organization, (3) all Catholic schools and colleges, (4) over 100 Protestant churches, (5) Orthodox Christian, Jewish and Muslim groups, (6) private schools, (7) public schools, (8) private and public colleges and (9) government officials.
