

# LGBT Debate Shackles Trump Harassment Police

Bill In the News (Bloomberg Law):

*A political dispute over LGBT and religious rights is threatening to handcuff the Trump administration agency that enforces harassment and discrimination law in the midst of the #MeToo era.*

*At the center of the debate is Chai Feldblum (D), the EEOC's first openly gay commissioner.*

*"She has an animus against the First Amendment right to religious liberty," Catholic League President Bill Donohue told Bloomberg Law. [READ MORE HERE](#)*
