

Liberals Trash Pro-Life White House Spokeswoman Sarah Sanders, Chelsea Handler Calls Her a “Whore”

Bill in the news: LifeNews.com:

Attacks on the White House Press Secretary are a staple of all administrations, but most of the critics respect boundaries: it is okay to challenge the official White House version of events, and even to call into question the veracity of the Press Secretary, but assaults on that person's physical characteristics—especially if the post is held by a woman—are considered taboo.

The same rule does not apply to Sarah Huckabee Sanders. She has been routinely vilified and mocked, with impunity, by some of her critics. Their remarks constitute the most vicious of all ad hominem assaults: they trash her looks. Here is a sample. [READ MORE HERE](#)
