

MAHER FEARS DONOHUE

Several years ago Bill Donohue told Megyn Kelly that he wanted to put on boxing gloves and fight Bill Maher in Madison Square Garden. Maher never got over it. Over the summer, he said to *Esquire*, "Bill Donohue, head of the Catholic League, wants to fight me again. Literally fight me. Like Mayweather-Pacquiao. Yes, two sixty-year-old men in the parking lot. As Jesus would have wanted."

Donohue tweeted in reply, "I would win."
