

THE MIND OF JOY BEHAR

Bill Donohue comments on Joy Behar:

Yesterday, on the CBS show, "The Insider," there was a discussion about the man/woman Bruce Jenner.

Here is what Behar said: *"I'm not going to do a stand-up about transgenders. It's too sensitive a topic."*

Today, on the ABC show, "The View," a guest host mentioned that she was raised in a conservative Catholic household and that later in life she went on a drinking binge.

Here is what Behar said: *"It could have been worse—you could have turned out a nun."*

This is the mind of Joy Behar.
