

# MORE L.A. CATHOLICS CONTACTED OVER JUNE 16 GAME

[Bill Donohue](#)

Today we are contacting 126 Catholic entities asking them to spread the word about our boycott of the June 16 "Pride Night" Dodgers game that will honor the anti-Catholic Sisters of Perpetual Indulgence. To that end, we are sending them a copy of our [report](#) that details the bigoted acts of this hate group.

We previously mailed our report to over 300 parishes in the Los Angeles archdiocese. We also contacted 53 Catholic schools, including colleges and universities. In each case, we asked pastors and educators to ask their constituents not to attend the June 16 game.

Now we are asking the Catholic leaders of the following archdiocesan entities to do the same: Residences of priests and brothers; endowments, foundations and trusts; retreat houses; hospitals and health systems; seminaries; and convents and residences for women.

Also ongoing is our radio ad blitz on KABC in Los Angeles asking area Catholics to boycott the June 16 game. Stay tuned for more announcements about our campaign.
