

New Documentary Exposes Disney's Pro-Sexualization, Anti-Nuclear Family Agenda

Bill in the news (Daily Signal): Disney has adopted a woke "idea of diversity, which sounds innocuous on the face of it, [but] is really an agenda to divide people," Bill Donohue says. "And that's what they're doing. They're dividing people on the basis of family, on the basis of race, on the basis of sex, sexual orientation."
