Dear Dr. Donohue:

I have been speaking to the bishops of New Jersey at our Provincial meeting and encouraging them to support the work of the Catholic League in their own dioceses.

I am very grateful for the encouragement and example which we see in the work of the Catholic League.

For that reason, I am happy to make a personal contribution in the amount of \$1,000 for a life membership in the League.

Please keep me and the bishops of New Jersey alerted to the program of the League and do not be afraid to ask for our cooperation in any of the important concerns in which the League is involved.

With congratulations to you on the courageous and thoughtful positions which you make in the sense of our Church and with kind personal regards, I am

Faithfully yours in Christ,
