

# NO ATHEISTS IN [CHILEAN] MINES

The miraculous rescue of all 33 Chilean miners is difficult to understand from a purely secular perspective. In this day and age of militant atheism, coupled with relentless assaults on Roman Catholicism, it is refreshing to read about the central role that Catholicism played in helping these courageous men survive, and of their enormous gratitude to God.

To those who cling to the superstition that there is no meaning to life beyond sheer material existence, we ask them to reflect on the following testimonials. Just as there are no atheists in foxholes, there are no atheists in trapped mines. Click [here](#) for some inspiring comments.
