

NY Art Gallery Features Exhibit Depicting Stormy Daniels as Virgin Mary

Bill In The News (Breitbart):

Catholic League President Bill Donohue said Wednesday that a photographic exhibit featuring porn stars such as Stormy Daniels posing as the Virgin Mary constitutes “the latest artistic assault on Christianity.”

The exhibit of the work of Nika Nesgoda, which Donohue called an “expression of hate” for Christians, goes on display Thursday at an art gallery called the Spur in the Long Island town of Southampton. [READ MORE HERE](#)
