

# NYS SEN. BRAD HOYLMAN APOLOGIZES

Catholic League president Bill Donohue comments on an apology he received from a New York lawmaker:

New York State Senator Brad Hoylman called me to apologize for his anti-Catholic [tweet](#). He did not mince words: he admitted that I was right to call him out for this, and that he regrets what he said.

It's over. Apology accepted. I found Senator Hoylman to be sincere.
