

# PENTAGON BUYS LGBT “EMERGENCY” HOAX

[Bill Donohue](#)

There is a widespread hoax campaign underway by radical queer and trans activists trying to scare the public into thinking they are “under attack.” Buying into this lie is the United States military.

Bill Donohue is asking Rep. Jim Banks, chairman of the House Armed Services Committee, to launch a hearing on this manipulation of the military. To read his letter, click [here](#). We are contacting all members of the armed services committees in the House and Senate.
