Preacher causes outrage amongst Christians for graphic Jesus sex scene

Bill in the news: independent.co.uk:

"Depicting Jesus in a grotesque sex scene is an assault on the sensibilities of all Christians, as well as people of good will who are not Christians," Catholic League president Bill Donohue said in a statement....

"We have been treated to this kind of fare from some pay-perview channels, but we are not accustomed to AMC getting into the mud. If this is a signal of what it aspires to become, we will rally Christians against it." <u>READ MORE HERE</u>
