

PRIEST BASHING

KSF0 radio in San Francisco recently featured a segment by hosts John and Ken that viciously attacked Roman Catholic priests. Sweeping statements were made casting priests as child molesters, drunks or sex addicts. The operations manager was asked to explain the irresponsibility of his hosts but refused to do so. So why not let Jack Swanson know what's on your mind? Write to him about these two sages at KSF0, 900 Front Street, San Francisco, CA 94111.
