Who Funds the Catholic League?

You do! That's right – we're donor driven. Without your support, we don't exist.

We don't receive a dime from the Church. Nor should we: we are a lay organization. Sure, we have many clergy who are members and all are welcome to join – but our financial base comes from individuals, not the Church.

Why is this so important? Because as a lay Catholic organization we don't have to worry about violating church and state lines. Besides, we shouldn't ask the clergy to do our job; when the Church is attacked, so are its members, and that means you. That is why we must provide a response.

Our system can only process donations greater than \$2.00.
