

“THE DOM GIORDANO PROGRAM”

Bill in the news (“THE DOM GIORDANO PROGRAM”): Dom welcomes in Catholic League President Bill Donohue to discuss the new film Walt’s Disenchanted Kingdom, which tells how the once beloved company has fallen so far, now presenting immoral values after being the bastion of morality for decades. Donohue takes us inside the film, telling who was interviewed, and explains the negative implications of Disney’s woke trend. Then, Donohue explains a bit as to how and why this has happened, telling of the ESG score which encourages large corporations to preach equity.
