

Top Planned Parenthood Official 'Excited' about Biden Administration Forcing Healthcare Professionals to Perform Abortions, Transgender Treatments Against Faith Values

Bill in the news (The Star News Network): Catholic League President Bill Donohue [wrote](#) that while Americans of faith still have "some two dozen federal rules on the books that provide protection for conscience rights," Biden's Department of Health and Human Services, led by Xavier Becerra, is "an ardent defender of abortion-on-demand" and "is leading the charge" against the Trump-era rule.
