

# Trump Mute on Moral Issues

*Bill in the news: Newsmax*

*The fight for religious exemptions, as a cornerstone of religious liberty, is being waged with ferocity across the nation.*

*One might have thought that a president, who has floated a very fine draft of an executive order on religious liberty, might have made mention of this subject, if not the draft, in his remarks.*

*The problem with Trump's speech is that it only spoke about missiles and markets, never citing morality. [READ THE FULL ARTICLE.](#)*
