

# Trump's missing agenda in Congress speech? Moral issues

*Bill in the news: Religion News Service*

*And at least one religious conservative, the Catholic League's William Donohue, ripped Trump for going "mute on moral issues."*

*"The problem with Trump's speech is that it only spoke about missiles and markets, never citing morality," Donohue said in a statement Wednesday.*

*Donohue noted that Trump made no mention of a rumored executive order that would provide sweeping exemptions from gay rights and abortion and contraception statutes for religious believers, including business owners. [READ MORE HERE.](#)*
