FIOS

SPONSORS

Bill Donohue comments on the Catholic League's campaign against the ABC show, "The Real O'Neals," and why he is asking Verizon Fios to drop its sponsorship:

Please contact Janet Brumfield, Director of Corporate Communications for Verizon Fios and tell her how offended Catholics are by a show that is based on the life of an obscene anti-Catholic bigot, Dan Savage (who is also an executive producer), and why we are requesting that Verizon Fios stop advertising on the show.
