

WALT KNYSZ NEW CHAIRMAN

At the last meeting of the board of directors, Dr. Walter Knysz was chosen to succeed Fr. Philip Eichner as the new chairman of the board.

Walt holds a Doctorate of Dental Surgery from the University of Detroit. What makes him unique is his entrepreneurial background: he has founded several dental business companies.

One of his achievements is the establishment of a global provider of dental insurance; another is his founding of a dental practice management company. More recently, he launched a franchise agreement with independent dental practitioners, providing an array of services.

Walt is past chairman of the Leading the Way Campaign, and has been active for years serving on the board of Ave Maria University. He has also been pivotal serving the Thomas More Law Center.

Walt and Bill Donohue first met at a national Legatus conference where Bill was scheduled to speak. Bill knew immediately that he had met someone special. He remembers the occasion well.

"When I first met Walt, I was impressed by his enthusiasm, great sense of humor, and strong interest in helping the Catholic League," Donohue said. "He soon joined the board of directors and I am delighted now that he is chairman. A better man for the job would be hard to find."

Donohue added, "The Catholic League is in good hands with Dr. Walter Knysz at the helm. He and his wife, Jan, make for a splendid Christmas gift!"
