

TREVOR NOAH'S OFFENSIVE REMARKS

On his **May 18** show Trevor Noah noted that a priest in Detroit was using a water gun to bless parishioners with holy water from a distance. Noah made the following joke:

"Water gun blessings? That might finally be the thing that gets the churches numbers to go back up again. And a great way for other Catholic priests to explain why they have a bunch of kid's toys in their basement."

NOAH ATTACKS GAY PRIESTS AGAIN (April 14, 2020 news release, **April 13, 2020** date of show)

On the April 13 edition of "The Daily Show," Noah commented that on Easter Sunday it was hard on many church-goers who are used to attending services, **"but for the Catholic Church, this is a good thing—keeping the priest separate from the congregation might not be the worst idea."**

WHAT? THE VIRUS SPARKS BIGOTRY? (March 10, 2020, news release, **March 9, 2020** date of show)

"Trevor Noah, one of the most vile bigots on television, told his audience last night that **'it's going to be hard to take Communion seriously when the priest has to throw wafers into people's mouths from across the room, the body of Christ—from downtown.'**"

VIACOM EXECUTIVES NOTIFIED ABOUT NOAH (June 13, 2019, news release, **June 11, 2019** date of show)

On June 11, Noah went on an obscene rant about Catholics and the Catholic Church that was so bad that we cannot reproduce everything he said. He took aim at the Vatican document on gender ideology that was released this week, lying about its contents and then using it as a platform to attack.

He went on and on—the man is fixated on filth—so I won't even attempt to cite most of what he said. **"I mean we all know the Church thinks if you're a girl," he said, "you're a girl forever, and if you're a boy, they're going to f*** you."** He then offered several "pedophile jokes" targeting homosexual priests. The crowd loved it.

TIME TO REIN IN TREVOR NOAH (April 23, 2019, news release, **April 22, 2019** date of show)

Last night Trevor Noah joked about the tragedy in France. On second thought, it is not clear whether he thinks the Notre Dame fire was a tragedy at all. **“Why doesn’t France ask for the Catholic Church to pay for the repairs? A billion dollars is nothing to them. It’s like three child abuse settlements.”**

TREVOR NOAH LIBELS POPE AND ALL PRIESTS (March 27, 2019, news release, **March 26, 2019** date of show)

On his March 26 Comedy Central show, Noah once again flashed his bigotry when he commented on a clip of Catholics shown kissing Pope Francis’ ring. After observing that the pope appeared to pull his hand away, he noted that **“it’s a nice change of pace to see a priest not want to touch people.”**

TREVOR NOAH ABUSES CHILD AND POPE (March 24, 2017, news release, **March 23, 2017** date of show)

The show ran a video clip of a 3-year-old girl who was introduced to the pope. She grabbed his hat, leaving the pope in stitches. He kissed the girl as a sign of his affection. The clip was so cute that the media played it over and over, much to the applause of viewers.

But Noah is different. He took the opportunity to abuse the child and the pope by sexually exploiting the two of them. He commented, **“I can see why this made the news—a child undressing a priest for a change.”**

NOAH IS A BIGOT (January 6, 2017, news release, **January 5, 2017** date of show)

On last night’s “Daily Show with Trevor Noah,” the host commented on the new McDonald’s that opened near the Vatican. He said that **“it makes a lot of sense when you think about it—both the Catholic Church and McDonald’s have served billions: they both make people feel guilty about themselves, and both are historically bad for children, so it makes sense.”**

TREVOR NOAH'S FILTHY DEBUT (September 29, 2015, news release, **September 28, 2015** date of show)

“After being greeted by the president, the vice president and an adoring crowd at Andrews Air Force Base, he [Pope Francis] was whisked away in a tiny Fiat dwarfed by the Secret Service vehicles surrounding him.”

This tees it up for Noah: **“That’s a tiny car. Somebody’s compensating. I’m saying the pope has a huge c**k [bleep]. That was a joke. That is a joke. And what a waste.”**
