Dear Rep. Jacob:

The Catholic League is the nation's largest Catholic civil rights organization, and it is our job to combat anti-Catholicism. Your recent contribution to it has been duly noted.

I am in possession of 12 Facebook posts that you have written, all of which are virulently anti-Catholic. Here are a few examples.

- "The Roman Catholic Church is not of God but rather of satan and will leave one under the curse of God, unsaved, and on their way to hell."
- "I must be clear, the Roman Catholic Church is a cult."
- "The Mary of the Roman Catholic Church and Orthodox Church is not the Mary of the Bible; she is a demon, deceiving and leading millions to hell."

All of these bigoted posts were written prior to your recent electoral victory. As such, I am asking that you renounce these anti-Catholic remarks and pledge never to make them again. If you do so by the end of the month (this letter is being sent by email, as well as in the overnight mail), it would put an end to this issue. We hope to see a news release from you about this matter by November 30.

Sincerely,

William A. Donohue, Ph.D.
President
