

## **FIRST DAY EXECUTIVE ORDERS**

### Biden:

1. Directs OMB director to develop recommendations to modernize regulatory review and undoes Trump's regulatory approval process
2. Requires executive branch appointees to sign an ethics pledge barring them from acting in personal interest and requiring them to uphold the independence of the Department of Justice
3. Extends deferrals of deportation and work authorizations for Liberians with a safe haven in the United States until June 30, 2022
4. Halts construction of the border wall by terminating the national emergency declaration used to fund it
5. Undoes Trump's expansion of immigration enforcement within the United States
6. Reverses the Trump administration's restrictions on US entry for passport holders from seven Muslim-majority countries
7. Fortifies DACA after Trump's efforts to undo protections for undocumented people brought into the country as children
8. Requires non-citizens to be included in the Census and apportionment of congressional representatives
9. Prevents workplace discrimination on the basis of sexual orientation or gender identity
10. Rescinds the Trump administration's 1776 Commission, directs agencies to review their actions to ensure racial equity
11. Prevents workplace discrimination on the basis of sexual orientation or gender identity
12. Rescinds the Trump administration's 1776 Commission, directs agencies to review their actions to ensure racial equity
13. Cancels the Keystone XL pipeline and directs agencies to review and reverse more than 100 Trump actions on the environment

14. Rejoins the Paris climate accord, a process that will take 30 days
15. Extends the existing pause on student loan payments and interest for Americans with federal student loans until at least September 30
16. Extends the existing nationwide moratorium on evictions and foreclosures until at least March 31
17. Creates the position of Covid-19 Response Coordinator, reporting directly to Biden and managing efforts to produce and distribute vaccines and medical equipment
18. Stops the United States' withdrawal from the World Health Organization, with Dr. Anthony Fauci becoming the head of the delegation to the WHO
19. Launches a "100 Days Masking Challenge" asking Americans to wear masks for 100 days. Requires masks and physical distancing in federal buildings, on federal lands and by government contractors, and urges states and local governments to do the same

Trump:

1. "Minimizing the Economic Burden of the Patient Protection and Affordable Care Act Pending Repeal"
